SAVINGS DEPOSIT PROGRAM (SDP) ACCOUNT BALANCE ON myPay

1. You can now check your SDP account balance on your myPay account.
2. Log on to myPay and select Savings Deposit Program (SDP) statement. The account history shows all deposits made by allotment or cash collection voucher (CCV) and the date the transaction credited to your SDP account. Current account balance includes all deposits and accrued interest up to and including the previous calendar month.
3. If you made a deposit more than 10 weeks ago and it does not appear in your account balance; scan a copy of your CCV to ccl-sdp@dfas.mil. Deposit(s) will be posted to your account along with any back interest due.
4. For more information regarding SDP, myPay and other finance questions, call or stop by your local finance office.
